

612 QUARTERBACKS SCHOLARSHIP

612 Quarterbacks was created to develop quarterbacks physically and mentally by focusing on the relationships and ensuring that each session is affordable, productive, and realistic. Being a part of 612Q's not only helps individuals develop their own physical and leadership skills but also provides them additional opportunities to gain friendships with athletes around Minnesota.

We would like to award a \$750 scholarship to a 2024 graduate who has participated in 612 Quarterbacks. The individual needs to be enrolled in or accepted to a college or university. **Please submit your application to 612quarterback@gmail.com by April 30th.**
